.TECH IT TO THE TOP

Radix premium domains hit new highs in H1 2025 with a sharp rise in .tech registrations, and a steady demand from forward-thinking businesses.

.TECH TAKES THE TROPHY

Premium .tech domain registrations jumped over 70% compared to H1 2024, marking one of its biggest leaps to date.

BIG TICKETS FOR .TECH

In H1 2025 alone, premium .tech domains recorded:

- 32 registrations at

\$5,000/year
- 10 registrations at

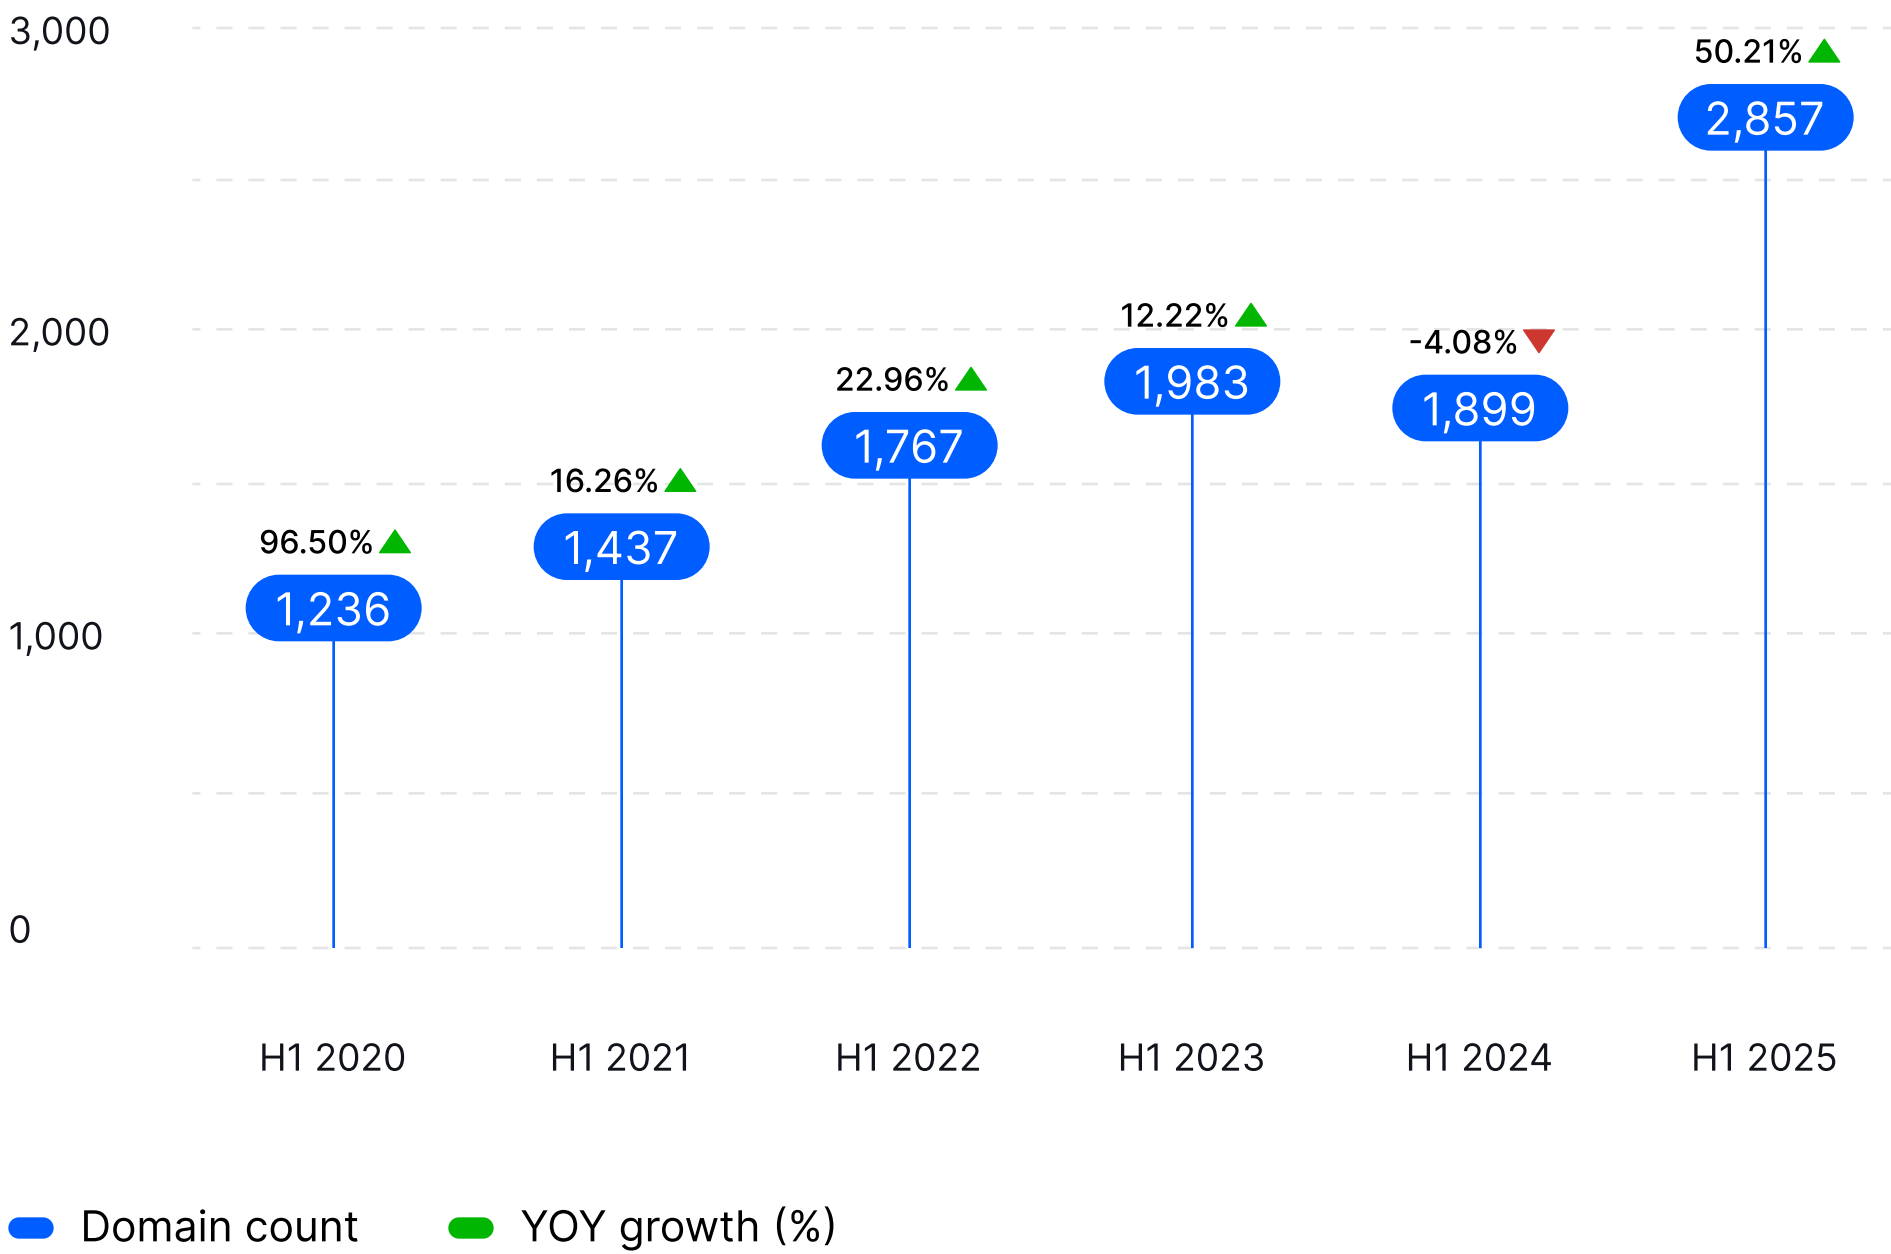

\$10,000/year
- 1 single-character at

\$25,000/year

THE GROWTH CURVE JUST WENT VERTICAL

H1 2025 marked Radix's strongest half-year yet, with premium domain registrations up by 50%, and renewals up by 10%, compared to H1 2024.

RADIX PREMIUM DOMAINS YOY GROWTH

THE .TECH WAVE

The internet's most exciting work isn't just happening in tech, it's being built on **.tech**.

From AI to DeFi, the next wave of tech startups is choosing domains that signal tech – loud and clear. No fluff. No filler.

Just sharp, high-signal names that make their tech-first identity impossible to miss.

Domains like **music.tech**, **sky.tech**, and **great.tech** don't need explaining – they speak for themselves.

BUILT ON .TECH

Across AI, digital identity, music, and next-gen finance, premium .tech domains are behind the tech that’s shaping what’s next. These aren’t just domains – they signal tech.

GR8^{TECH}

great.tech sells trend-forward apparel and lifestyle products rooted in tech culture and iGaming – made for those who shape what’s next.

great.tech
